

AI-Weekly Letter MGM-A-250

4 December 48

11. While in Wurnberg, I dropped on on AVOCET who is leading a quiet existence running his toy factory in Wurnberg, since severing his connections with ECIC. We have no plans for the future use of AVOCET but will continue to see him occasionally. Sometime during the course of the RUSKY investigation, we hope to determine why he has never been associated with the project.
